NEWSLETTER 14th July 2023

Year 5 recently attended the science open day at Daresbury Laboratory. They were very fortunate to be selected to attend, they had a fantastic day. Their visit consisted of a science magic show, a science fair and creating some art work after learning about the sun.

Art in year 3

The children have been studying the work of Anthony Caro and created their own 3D sculptures in his style.

As you are aware this years Sports Day has been let down by our good old British weather.

Our Infants managed to have their event but unfortunately the Juniors was rained off.

We intend to hold the event next week (weather permitting) so that the Junior children don't miss out. There won't be any spectators this time but we will take lots of photographs.

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. There was an incident this week which has once again highlighted these issues and therefore we are requesting your co-operation.

As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street.

We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.

Monday, 17th July— Year 6 leavers Mass in Church 6pm.
