Pan Cheshire Child Death Overview Panel

Following a very sad, tragic and preventable incident last weekend when children had got into difficulty in open water: Northumberland Fire and Rescue Service issued this message to remind the public that:

"The water may look calm on the surface, but there can be strong undercurrents that could pull even a strong swimmer under the water."

"And even when the weather feels very hot, the water may feel warm on the surface, but just a few feet below the surface it can be icy cold – affecting the stamina and strength of even strong swimmers."

"If you are with someone who gets into difficulty, call emergency services for help. If you can, use an object to try and reach for them, but don't put yourself in danger by entering the water."

Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

To enjoy the water safely and make the right call...

- Enter slowly and carefully
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers*. Are you really a good swimmer?
- Stay within reach
Don't go too far and stay within a standing depth.
- Always be supervised
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

In an emergency...

- Call 999
Ask for the Fire and Rescue Service when inland and the Coastguard if at the coast. Don't enter the water to rescue.
- If you're in trouble **FLOAT** and call for help
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

reading plus[®]

Thank you for those children completing their 5 reading lessons a week. We can really see the progress you are making and the pleasure you are taking from it. Please do try to ensure your child is completing their weekly lessons. Reading Plus is such a good tool to teach important reading and vocabulary skills in a fun, personalised way.

**Reading Plus WORKS and we have the evidence to prove it.
Keep up the good work everyone.**

KS2 children should be accessing Reading Plus from home for at least 30 mins a week (15 mins x 2 is fine)

This week our class winners are **Year 5**
Well done to them.

Our pupil competition winner is Jamie from Year 5.

Our Phonics star pupil is Evelyn from Reception.

Well done Jamie and Evelyn

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street.

We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.

Please be courteous to our neighbours on Castle Street when parking.
