# Growing through God, we learn laugh and love.

**Aim: Guided by the Gospel; safe in God's love; growing in His grace.**

To achieve this we :

Live out the Gospel message of love in every relationship.

Celebrate the life of Christ and the life of the school in prayer, worship and Holy Mass.

Deliver a lively and energetic Catholic curriculum through creative use of Come and See.

Set high expectations and enable all pupils to thrive and grow.

Maintain close relationships with our Catholic Parish family and the wider Catholic church through supporting organisations such as CAFOD.

Ensure vulnerable pupils and families are supported and nurtured.

# Growing through God, we learn laugh and love.

**Aim:-Reaching higher together; rewarding achievements; rejoicing with each other.**

To achieve this we :

Have weekly celebration assemblies to recognise and rejoice in the achievements of individuals and the school as a whole.

Deliver a creative and stimulating curriculum that challenges and excites learning.

Identify pupils who need extra support and invest energy and commitment into every child's learning.

Give teachers and pupils opportunities to work as a team in order to encourage and praise each others progress.

Partner with outside agencies and other schools to ensure rigour, freshness and vitality in the pupil's learning and achievement.

Partner with families in helping their children thrive and enjoy school.

Recognise the pupil's achievements within the Core British Values.

# Growing through God, we learn laugh and love.

**Aim: Overcoming obstacles, opening dreams, outstanding for all.**

To achieve this we :

Develop the full potential and interests of the pupils through an exciting, spiritual and creative environment.

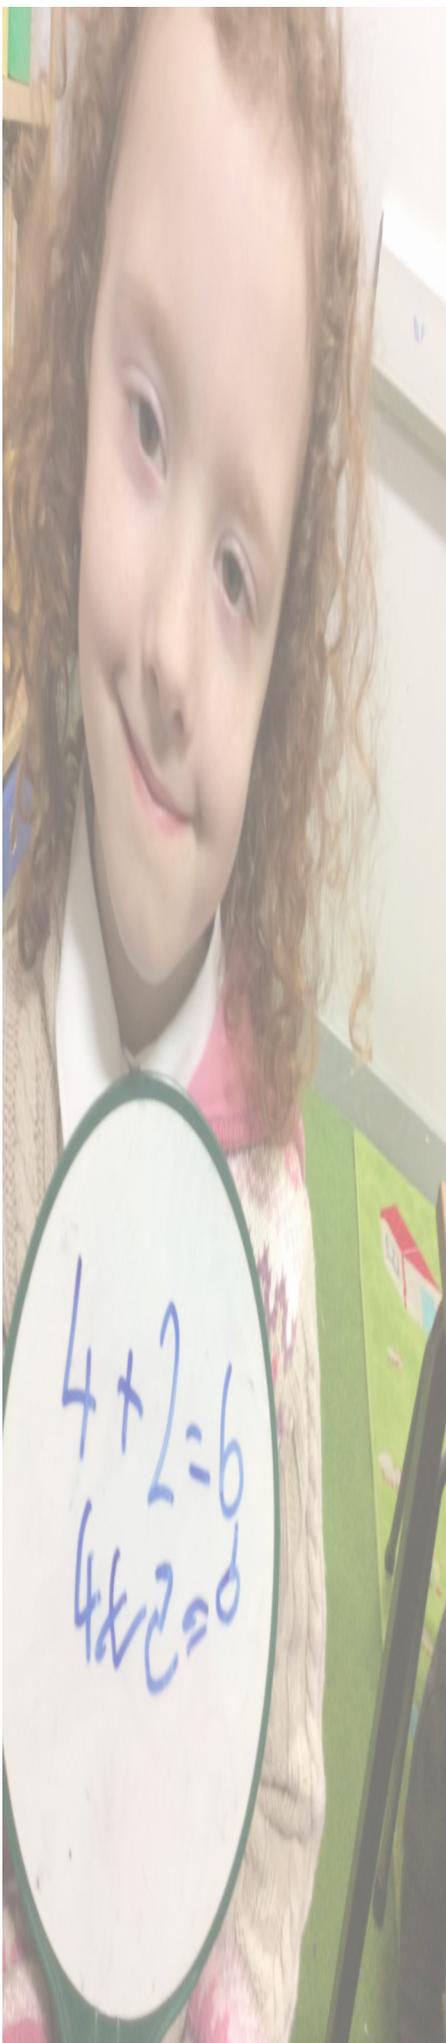

Give prayerful emotional and pastoral support to vulnerable pupils and families.

Maintain high standards of achievement for all pupils.

Give learning support to pupils that is sensitive to their need for independence and self-respect.

Foster a love of the outdoors and all the wealth of learning that is available to the school.

Give a wide experience of the world around them through visits and visitors to expand the pupil's boundaries and make them limitless in their thinking.

# Growing through God, we learn laugh and love.

**Aim: Worship and wonder, welcome and warmth.**

To achieve this we :

Give the children opportunities to be still and reflect on the wonder of God's creation and on the wonder of themselves.

Allow children to participate in and facilitate acts of daily Collective Worship which are varied and meaningful.

Instil the values of Equality and Inclusion through a respectful and diverse curriculum that allows for the needs and rights of each individual.

Teach a curriculum that challenges prejudice and allows for all pupils to have a voice.

Teach richly resourced lessons on all areas of equality using the No Outsiders in our School.

Promote barrier-free attitudes in the pupils so that they will have a deep respect for everyone in their community and also the wider world.

Give them opportunities to have a positive impact on society through fund raising and prayer.
